PROPERTY DESCRIPTION

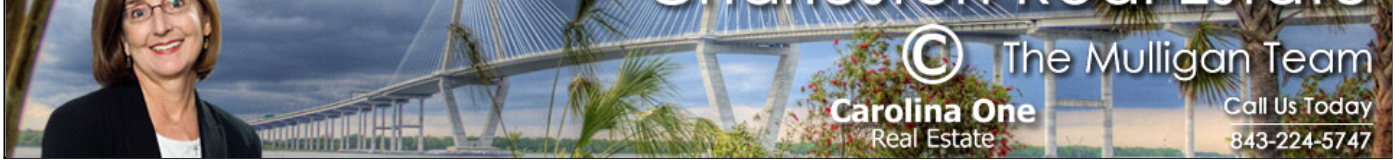

Beautiful Legare floor plan features master bedroom down, three true bedrooms up, and a beautiful flow. Formal rooms flank the elegant 2-story foyer. The formal dining room opens to the kitchen; the formal living room also makes a great home office. In the back of the home, the two-story family room is light-filled and spacious. The family room, breakfast nook, and open kitchen form the hub of this home--great for entertaining and family communication. Ceramic tile throughout the foyer, family room, and kitchen is lovely and low maintenance--creates a cool environment during warm summer days. The large master suite features a large bedroom on the first floor with tray ceiling; a large master bath with separate garden tub and shower, water closet, and big walk-in closet. Upstairs is brand new carpet in three large bedrooms and a spacious loft area. All closets are large. The large corner lot is impressive--mature landscaping has been lovingly maintained. The backyard is privacy fenced and includes a nice patio. Whitehall is a popular neighborhood served by Dorchester District 2 schools. Just minutes from Charleston AFB, Bosch, Boeing, and great shopping, dining, and entertainment. Golf courses are abundant. Pool, tennis, playground, and ball field are all in the neighborhood.
